Vice Rectorate of External Relations, Cooperation, Animation and Communication and Scientific Manifestations

University of Tlemcen, Algeria

**Please, all applicants are asked to refer to the office mentioned above for any information, no contacts with the partner university are allowed in this phase**

In collaboration with UPV, Spain, the University of Tlemcen has the pleasure to announce that the call is open for students (B3, M1, D1, D2 and D3 only) nomination for spring term february 2021, for Erasmus mobility.

### **Participation requirements**

In addition to UPV evaluation criteria, the applicants from the University of Tlemcen have to meet also the following minimum requirements:

1. Not have received an Erasmus+ grant or any international mobility
2. Be currently enrolled at the University of Tlemcen as student in B3, M1, D1, D2 and D3 in the followings areas: Engineering (all fields) and Environmental sciences.
3. Have good English language skills (or Spanish language skills)
4. Completing a regular Bachelor and Master degrees (without repeating).
5. Have a good match between the program in the University of Origin and the training targeted in the host university.

### **Notes**

#### **For master student**

If the Undergraduate or Master candidates have a Spanish B2 level, they will be admitted in any School without restrictions.

If the Undergraduate or Master candidates do not have a Spanish B2 level and therefore they intend to study full time in English, we advise students to combine the 30 ECTS between regular subjects and their final degree or master's work.

Nominated candidates, who intend to develop a final research work at UPV, shall belong to the areas of study that were agreed in the inter-institutional agreement with each partner. In this way, UPV professors who are already working with researchers from your institution can collaborate with the final degree or master project.

**for Phd student**

PhD students will need to have a letter of pre-admission from Professor UPV who will supervise their research before their nomination is admitted.

Language restrictions does not apply for PhD students.
