According to the agreement signed within the framework of Erasmus + program between Armenian State University of Economics and Polytechnic University of Valencia, ASUE students will have the opportunity to be nominated to participate in scholarship competition; the winners will study for one semester at the above-mentioned University. The program is open to students who:

study at ASUE full-time or part-time education system, but at the moment of studying in the exchange program will not be in the last semester of the final course,

study at 2

rd<sup>3</sup>

years of full-time Bachelor's degree, 2

rd<sup>3</sup>

th<sup>4</sup>

years of part-time Bachelor's degree, 1

year of full-time Master's degree, 1

rd<sup>2</sup>

years of part-time Master's degree, when applying to Erasmus + program's autumn semester

have a B2 and high level of English proficiency, a certificate (valid certificates of IELTS or TOEFL® iBT, Cambridge Assessment English, as well as a certificate of exams organized at ASUE)

have high advancement: the minimum GPA must be 14.1 under a 20-point grading system (Master's degree students can submit the GPA for the first semester of the Master's),

have a great motivation to spend one-semester-study at ASUE partner University.

Note, the advantage is given to those students, who study "Project Management" Master's degree program.

Students interested in the program should fill in

***the application form***

until

**October 8, at 23:59.**

To be sure, that the application is accepted by International Relations Division, the applicant will receive a response message after the deadline. Improperly completed applications such as those submitted after the deadline will not be considered.

For more information contact the above mentioned Division via [int.mobility@asue.am](mailto:int.mobility@asue.am) e-mail.

The information is submitted by ASUE International Relations Division.
