Within the framework of Erasmus + KA107 grant programme, NUACA announces a competition for a 5-month study at the Polytechnic University of Valencia for the second semester of 2021-2022 academic year.

The programme is open for Master's Degree students of the Faculty of Management and Technology, and the Faculty of Construction. Preference will be given to 2nd year Master's Degree students enrolled in the "Project Management" and "Engineering Geodesy" academic programmes.

Required documents:

- Curriculum Vitae (in EUROPASS format).
- Reference on academic achievement (GPA).
- Certificate / reference of English B1 level proficiency. Knowledge of Spanish is encouraged. In the absence of a certificate, language proficiency will be verified through an interview.
- Motivation Letter (in English and Armenian) signed by the applicant and the Dean of the faculty.

The main criteria for the selection of students are: academic achievement, knowledge of English, Motivation Letter, skills and competences.

The deadline for the submission of documents is September 27, 2021 to the relevant dean's offices of NUACA. The competition will take place on September 28, 2021 at 4 p.m., at NUACA.
