August 1, 2021 - 4:00

Co-funded by the  
Erasmus+ Programme  
of the European Union

UNIVERSITAT  
POLITÈCNICA  
DE VALÈNCIA

Amrita Center for International Programs is happy to announce partially funded opportunities for **final year Bachelors' and Masters students**. These students, if selected, can participate in a final semester project in any area of engineering.

**Scholarship for Final Year B. Tech and M. Tech Students: (Total Two Students One in Each Category)**

- Student mobilities from partner countries to Spain will be financed by 850 Euros/ five months/participant
- Travel aid of 1500 Euros/participant

**Ph.D. Scholarship: (Only One Student)**

One funded opportunity for PhD (one semester – Industrial or Telecommunication Engineering preferred )

Student mobilities from partner countries to Spain will be financed by

- 850 Euros/ five months/participant
- Travel aid of 1500 Euros/participant

Ph.D. students will particularly develop their research preferably with the UPV professors who already have a previous academic relationship with the institution, so it will allow strengthening the scientific collaboration. PhD students will need to have a letter of pre-admission from Professor UPV who will supervise their research before their nomination is admitted. Language restrictions do not apply for Ph. D. students.

**Staff Mobility: One week** – Industrial or Telecommunication engineering preferred

- Staff mobility has the option of going anytime between September 2021 and July 15, 2022.
- One staff mobility for seven days.
- 160 Euros per day (x7) and 1,500 Euros travel aid

**Semesters at UPV are as follows:** Semester B: From January to June ( 2022 )

- **RESEARCH LINK BY DEPARTMENT FROM UPV, SPAIN**
- **ACADEMIC INFORMATION**
