

Hello everyone

the European Erasmus+ is an active program at the Technion.

In the past we presented the program to the heads of the administration, as well as within the Technion institution's training program.

Towards the end of the financing of the current project, attached below is the list of opportunities for implementation until the end of July 2022, the requirements and definitions for each opportunity.

The trips are financed by the project.

Country	University	Field	Staff Mobility for Training	Staff Mobility for Teaching
Germany	TU Darmstadt	All	2 employees for 6 days each	1 teacher for 5 days
Italy	Polytechnic University of Milan	Architecture	N/A	4 teachers for 7 days
Turkey	Middle East University- METU	All	2 employees	2 teachers up to 30 days
Spain	Polytechnic University of València	All	2 employees for 5 days + 2 travel days each	2 teachers for 5 days + 2 travel days each
Italy	Polytechnic University of Torino	All	1 employee for 14 days	Will be examined according to requests

Below is an explanation of the various opportunities:

Academic staff: an opportunity for faculty members to travel for teaching activities, which can include a lecture, workshop, etc.

Administrative staff: This opportunity allows administrative staff to meet with colleagues at the universities with which the agreement is signed, with the aim of learning from their experience in the issues that are in the various areas of responsibility.

If you are interested in one of the listed opportunities, please send me a document in English that refers to the following points:

1. Name of the university (according to the table)
2. Preferred travel time
3. Name/s of the applicants
4. A paragraph describing the purposes and subjects of the requested trip.

At the end of the trip, a summary report must be submitted that refers to the achievements in relation to the defined goals and the activity carried out during this trip.

The applications must be sent to me by 15.2.22.

For those interested in more details: on **Tuesday 8.2.22 at 09:30** we will hold an information session where I will answer the various questions from you.

invitation to the meeting <https://technion.zoom.us/j/92928675727>

Please distribute to the relevant vice deans.

Regards,

Bat-el Almogy
